

ROYAL REDEEMER LUTHERAN SCHOOL

PRESCHOOL SUPPLY LIST

2021-2022 School Year

Dear Preschool and Early Education Families,

We appreciate your partnership in this upcoming school year and are excited to see everyone soon!

Regarding the 2021-22 Supply List, we are requesting items this year, to assist us in sanitizing and reducing the spread of germs. In addition, we are asking for children to each have their own individual set of labeled school supplies. This will require each student to have a personal box or case, to store their own set of markers, crayons, glue, and more. As the year progresses, Royal Redeemer will then assist in keeping these supplies stocked. For example, if they run out of liquid glue, we can refill their bottle—or if they break their red crayon, we will have new ones on hand to replace it.

You can find your child's class and age group listed on the next few pages to find out more. We ask that you bring all supplies with you to your scheduled Meet the Teacher event in August. Please note that requirements and guidelines are fluid, and these lists are subject to change.

If you have any additional questions or concerns, please feel free to contact the office at school@royred.org. Thank you for your continued support and partnership in growing and nurturing Christ's children!

Early Education and Preschool Director
