PASTOR Zahrte's WEEKLY UPDATE

May 19, 2022

truth worth holding...

"The Lord had said to Abram, "Leave your country, your people and your father's household and go to the land I will show you. ...So, Abram left." This verse, **Genesis 12:1, 4a**, is extremely significant. God chooses Abram as the first step in building the nation of Israel. God intends to accomplish His will through this man and his family. He asks Abram to leave behind everyone and everything he knows. Abram **obeys God's call**, and heads into the land of Canaan, territory which God promises to Abram's offspring.

help wanted...

You may have noticed that our worship attendance is continuing to increase. That said, we are looking to add some additional **worship assistants**, primarily in the CAC. If you haven't served on a rotation lately or would like to begin serving in this area, please let us know. We also need volunteers on Sunday morning to help with **donuts and coffee**. Training is available. Contact Bennie Levy at blevy@royred.org or call (440) 237-7958, ext. 117. We can't do what we do without you!

message worth sharing...

In this fourth segment of our series "Timeless", we look at how God asks **Abraham** to step outside his comfort zone and obey Him – and Abraham does! Today, as we keep in mind God's love for us and the fact that He knows what is best for us, we can live a life of **obedience**, as well, confident that we will enjoy His many blessings in Christ.

a familiar face...

If you worship in the CAC, you probably know **Roy Napoli**. He's been faithfully serving here for many years. We're excited to share that he's taking a part-time role on our Worship Arts team to assist with planning worship and leading our praise teams. We're thankful he's joining our team!

a word from pastor zahrte...

Are you living it out? Last weekend, I shared what it means to **act with integrity** by examining Daniel's character. It starts with being more aware of the moment-by-moment decisions you make. How are those decisions impacting you and others? God's Word is the source of truth for your beliefs as a follower of Christ. Are you taking time each day to read the Bible? And lastly, be on the lookout for ways to act on what you believe. Once you know God's will, **live it out!** Do your actions allow others to see that you are someone with integrity?

memorial day weekend...

Over Memorial Day weekend, watch for pamphlets from the **LCMS Ministry to the Armed Forces**. Show your support by making a monetary donation, honoring the men and women and their families who faithfully answered the call to serve our nation.
