a message worth sharing...

Here's the stark reality - you and those around you are dying from sinfulness. But here's the good news - Jesus has given you the greatest gift of all - forgiveness! So, why do we sometimes wrestle with forgiveness? God calls us to receive His forgiveness, to forgive ourselves, and to offer forgiveness to others. This week Pastor Dave will use what we've covered so far to help us unpack what it looks like to be **"Livin' Forgiven"**. We will see how God replaces our doubt, guilt, grudges, regrets, and fears with security, grace, freedom, hope, and courage...and that changes everything!
