# PASTOR Zahrte's Weekly Update

February 9, 2023

*a message worth sharing...*

Forgiveness is the greatest gift we receive from the Lord. He gives us that gift, and then tells us to pass it on to others – to forgive others who hurt us. So why is that so hard? Jesus tells a parable about a man who was forgiven much, but then turns around and is unforgiving of a man who owed him little. Join us this weekend as Pastor Dave continues our series, “Short Stories” and helps us look at what forgiveness is and what it is not. We will explore God’s forgiveness to us, and the benefits of forgiving others.
