

SCHOOL WELLNESS POLICY

Philosophy

Royal Redeemer Lutheran School believes that children and youth who begin each day as healthy individuals can learn more and learn better and are more likely to have success in their education. Royal Redeemer Lutheran School also believes that healthy staff can more effectively perform their assigned duties and model appropriate wellness behaviors for students. This policy encourages a holistic approach to staff and student wellness that is sensitive to individual needs.

Nutrition

Academic performance and quality of life issues are affected by the choice and availability of good foods in our school. Healthy foods support student physical growth, brain development, resistance to disease, emotional stability and ability to learn.

- a) Nutrition guidelines that require the use of products that are high in fiber, low in added fats, sugar and sodium, and served in appropriate portion sizes consistent with USDA standards shall be established for all foods offered by Royal Redeemer Lutheran's Nutrition Services Department or contracted vendors. Menu and product selection shall utilize student, parent, staff and community advisory groups whenever possible.
- b) Nutrition services policies and guidelines for reimbursable meals shall meet federal and State of Ohio regulations and guidelines.
- c) A la carte offerings to students shall be nutritious and meet federal recommended guidelines and shall be selected with input from students, parents and staff.
- d) Nutrition services shall support classroom activities for all Royal Redeemer Lutheran School students that include hands-on applications of good nutrition practices to promote health and reduce obesity.
- e) We strive to include at the minimum fruit and vegetables foods/trays at all parties.

Health Education and Life Skills

Healthy living skills shall be taught as part of the regular instructional program and provides the opportunity for all students to understand and practice concepts and skills related to health promotion and disease prevention.
