Good afternoon Rockets,

We are getting so excited for our upcoming Fun Run next Friday! The energy is building, and our students are ready to run, dance, and celebrate all they've helped accomplish. We've officially raised over \$17,000 of our \$60,000 goal, which will go towards upgrades in technology, curriculum extras, and hands-on materials for the classroom and playgrounds!

As we head into the final stretch, we're continuing to welcome donations and appreciate your support in making this event a success. Let's GO FOR THE WEEKEND CHALLENGE: Any donation collected this weekend will give students an entry into a Cedar Point Tickets drawing! For example, if you get three donations Friday through Sunday, you will get three entries into the drawing. Let's go ROCKETS!

Be sure to check out the scheduled run times—we can't wait to see you there!

2. Cleveland Guardians STEM Day: Our 4th–8th grade students had an unforgettable experience attending STEM Day with the Cleveland Guardians this past week! Held at Progressive Field, the day transformed the ballpark into an interactive learning lab. Through hands-on activities and engaging demonstrations from over 40 community partners, students explored how science, technology, engineering, and math connect to the game of baseball and beyond.

3. 5th-8th Grade Spring Concert: Save the date! Our 5th–8th grade students, along with our band and guitar ensembles, are excited to share this year's Spring Concert, *"Gonna Let It Shine,"* on Thursday, May 14th at 7:00 PM. Join us a little early for preservice music beginning at 6:45 PM, then enjoy an evening of worship, singing, instrumental performances, acting, narration, and more. Our students have been working hard and are eager to share their talents—it's sure to be a joyful night of music and praise you won't want to miss!

4. FACTS Access Changes on May 6, 2026: FACTS is making changes as you access Family Portal, with the addition of a multi-factor identification process. While this will make your log-in experience more streamlined and secure, there will be some steps for you to set up additional authentication initially, starting May 6. Please note that RRLS can no longer reset your login credentials, but there will be an option on the login page if you forget or need to make changes.

5. 2026-2027 School Supplies: It is not too early to start thinking about school supplies for next year. RRLS PTO has partnered with 1st Day School Supplies to bring you all school supplies for the 2026-2027 school year (preschool and K-8). A portion of the proceeds from each kit goes directly to the RRLS PTO to help fund future events. School supply kits will be delivered to the school before the "Meet The Teacher" event in August. Please reach out to pto@royred.org with any questions.
